## Superior Class saxophones

Suggested EU-retail prices System'54 Saxophones November 1<sup>st</sup> 2023

System'54 Saxophones are based upon the French Vintage Saxophones from the fifties and the sixties, widely known as the prime period in saxophone building. Therefore they share features with reminiscence to that period, like a two point and round body to bell brace, old style octave lever, rolled toneholes (alto and tenor), nickel left hand rods and more!
